

Dear Parents and Friends of our School Community

What a busy month we have had!

Thank you to everyone who supported Nate's Mates whether it was joining our school team for the HBF Run for a Reason, purchasing a hat or making a donation towards Nate's ongoing requirements. Not only did we win Largest School Team but we also exceeded our fundraising goal for Nate. A formal presentation will be made to Nate and his family at an upcoming assembly.

The Lapathon has again been a great success. It was fantastic to see all the children run or walk around the oval, with the older ones encouraging the younger ones as they tired. It was a fun afternoon where families could join in and again it surpassed our fundraising total from the previous year. So far, \$14,461.65 has been raised by the children, with prizes still be purchased.

Prizes for the Most Laps and Biggest Fundraiser (overall and each class) will be awarded at the next assembly.

The Mother's Stall has also added \$431.70 to our fundraising total.

Disbursement of Funds

The P&F Committee voted at the last meeting to disburse our first pledges for the year. A payment of \$11,000 has been made to the school, being an allocation of \$500 to each class from Pre-Kindy to Year 6 plus the Music Department.

A payment of \$800 will also be made to the canteen for purchase of fresh fruit during the year which is made available to the children for free on canteen days.
