

# WCPS 2017 Dads & Kids Camp Out

## Attention WCPS Dads!

Last year we had such a great time spending time with our kids and catching up with each other, the only option was to do it all again! So make sure you save the date and come along to the WCPS 2017 Dads & Kids Campout

### What is it all about?

Bring your tent or swags and your kids along for a great time together! Plenty of time for fun and games on the day, or to just hang out!

And the water slide is back for 2017!

### When?

Setup from **Saturday 11<sup>th</sup> Feb 2:00pm** – camp out together for the night, with everyone packed up and heading home (after an awesome camp out) – by **Sunday 12<sup>th</sup> Feb 9:00am**.

### Where?

**Ern Halliday Recreation Camp**, Whitfords Ave, Hillarys

### Are there any rules?

Well yes...just a few things so we all have a good time – let's get those out of the way first...

This is a **family friendly, alcohol free** event. **No glass allowed.** You'll understand that our kids will be running around on the grass during the weekend, we can't have any broken glass on the ground. **No generators, camper trailers or caravans. Tents and swags only please. No fires.**

### When you get there?

There will be sporting equipment for balls games and other activities available (plus did we mention the water slide!)

### Tickets?

**\$35 per family.** Please send in your \$35 and the number of people camping out in an envelope through your class note box. Tickets will be issued back to the oldest child.

**This campout is all about coming together, helping one another and the school and mainly HAVING FUN!  
See you all there!**
