**Approval of Previous Minutes**

**Approved:** Tamara McGougan

**Seconded:** Diana Hurring

**Business Arising From Previous Minutes:**

- **PFFWA Membership**

It was agreed (majority NO vote) that at this stage WCPS P&F would not join the PFFWA. This can be reviewed later if necessary.

- **Father's Day Stall**

The stall was very successful with a net profit of \$1,028.01 (up from \$577.20 last year). Desiree said the variety of new items, the pre-advertising of the items and prices on FB and the many volunteers (especially parents from the younger years), made it a success.

- **Father's Day Breakfast**

Again, was a big success – over 800 egg and bacon rolls were made by the mum volunteers. The new format was well received.

- **Bunnings BBQ**

Andrew said that the event was a successful marketing event, but after only a profit of \$510.68 (and this was before the \$200 donation to the Fathering Project), the group will assess whether they will participate in the event next year.

Next Whitty Dad's meeting is 08/10. Things to be discussed:

Planning for next year, including events;

Intend to have 4 official events each year and then dad's will organise informal events amongst themselves.

- **Playground Sub Committee**

To be discussed at next meeting

- **School Interschool Sport Tops**

Cath Hughes spoke to the directors of Tricon regarding use of their donation for new interschool singlets for the students. They were happy with this suggestion and the tops have been ordered. On the back will be WCPS at the top and Tricon on the bottom.

Tricon will come to an assembly to present them to the school some time in Term 4.

- **Twilight Markets**

To be held on 23 November in the school gym from 5pm-8pm

Event is being co-ordinated by Jacqueline Morgan

She expects to have 50 stallholders at \$40 each, plus \$2 entry fee for everyone.

### **General Business**

- **40<sup>th</sup> Anniversary Art Show**

Nadine, Lisa and Pina have held meeting with Kate Ryan (Year 2 teacher) to map out the art trail for the night.

Event will have interactive art pieces around all areas of the school will be used from the area leading to the science room, upto Pre-Primary block, behind the canteen and the area facing the oval.

Entertainment has been arranged with Air Born Amusements – ferris wheel, bouncy castle, laughing clowns' game, fishing game and strongman game. Cost is \$2,700 and includes an operator for 3. Helpers only needed for the fishing and strongman games. No prizes need to be purchased as there were sufficient amounts of games, toys, glow items, etc. in the storage that are suitable.

- **Cadbury Chocolate Fundraiser**

Fundraiser has been finalised with all outstanding monies collected.

Final amount raised - \$5,964.53 (this includes \$1,270 opt outs). This is a great result.

- **Uniform Committee (update)**

Survey has been out for a few weeks now and closed today.

196 responses from school community, which still have to be properly collated. From a quick review the following was noted:

Priority	-	Comfort;
	-	Maintenance and quality
Well Liked	-	Sports Uniform and rain jacket
Needs Review-		Winter jumper and sports socks
		Shorts for girls were requested often

- **City of Joondalup Parking Fines**

COJ interpretation of no standing signs on Barradine different to those of the parents.

Fines are being issued at 2:45pm not after 3pm. Sitting in your car is considered standing, so the COJ has been issuing parking fines from 2:45pm when the children are still in class.

No further fines will be issued until the issue is sorted with the COJ;

Discussion whether first 5 bays should be Kiss and Ride.

PP & Kindy classes both finish at 2:45pm

In the interim, parents will be encouraged to come at 3pm.

**Next Meeting:** Wednesday 17<sup>th</sup> October at 7:30pm

**Meeting closed:** 7:30pm
